

ROBOTO TRANSLATION

JOB OFFER

Customer Support Specialist- German

Responsibilities

- Replying to customers' e-mails regarding any potential game-related issues
- Reporting progress and raising key issues to Project Manager
- Making sure deadlines are met

Requirements

- Perfect knowledge of German
- Solid English (international team)
- Ability to write clearly. You will have to describe the issues and reply to customers' problems.
- Being a gamer will be a plus
- Friendly attitude :)

We offer

- Joining a fast growing company and great working atmosphere!
- Great chance of personal growth, while working with the biggest gaming companies all over the world (yes, we do have a plan how to make you grow)
- A competitive salary and informal work environment :)

Does it sound like you? Please, send us your CV and cover letter (both in English) to hr@roboto.pl as soon as possible!
